OLD WEST FIREARMS

Cowboy Action Shooting is a multi-faceted shooting sport in which contestants compete with firearms typical of those used in the taming of the Old West: single action revolvers, pistol caliber lever action rifles, and old time shotguns. The shooting competition is staged in a unique, characterized, "Old West" style. It is a timed sport in which shooters compete for prestige on a course of different shooting stages.

Each stage, as they are called, features an array of situations, in which the shooters must test their mettle against steel targets. Many are based on history or movie scenes,

Our cowboy shoots are the first four weekends in Georgia. Registration starts at 8:00 or 9 AM, depending on the club. Mandatory safety meetings are held prior to the shootin'.

We usually shoot three or four stages, have lunch, then shoot the rest. We end up approximately mid-afternoon

SASS (Single Action Shooting Society) rules apply.

What to wear: Costume requirements are waved for first time shooters. However after a couple of matches, the minimal cowboy clothing is required to shoot.

Since this is a cowboy shoot. SASS emphasizes costuming so all shooters need to look "cowboy" to shoot. Minimum costume: Blue jeans, long sleeved shirt, boots or old leather styled shoes, cowboy hat or late 1800s style hat or no hat at all.

Please: No Modern shooting gloves, shorts, short sleeve shirts, designer jeans, ball caps, tennis, running, jogging, or aerobic shoes, clothing displaying manufacturer's or sponsors badges or logos, nylon, plastic, or modern stuff.
